

BancTrust & Co. Webinar discussing:

Argentina's Political Outlook after the Midterms

Nicolás Solari

President of Real Time Data

Nicolás Solari is President of Real Time Data. He has more than 15 years of experience in directing and coordinating qualitative and quantitative studies of public opinion. He has a degree in Political Science from the Universidad del Salvador (ARG), a graduate certificate in Social Programs from FLACSO (ARG) and a Master in Survey Research from the University of Connecticut (USA). In 2012, he was an IVLP fellow at the United States Department of State. He is a member of the American Association for Public Opinion Research (AAPOR) and the Argentine Society for Political Analysis (SAAP). Before founding Real Time Data, Nicolás worked for more than a decade as Manager of Corporate Services and Head of Research at Poliarquía Consultores, one of the leading social research firms in Argentina. He is author of many policy papers, Op-Eds, and articles on public opinion and political analysis on Latin America and the United States. His opinions are frequently quoted by the Argentine and North American press.
